Woodland Lakes is a 425 bed facility capable of accomodating any size retreat. Pioneer Lodge and Buckeye Cabin offer more modern facilities capable of lodging 125 and 64 respectively.

Our 7 Cedar Village Cabins can sleep 24 each and offer primitive accomodations with a shared bathhouse.

Woodland Lakes offers plenty of indoor and outdoor meeting spaces for your group. With 2 large gymnasiums, team building and recreation activities, there is freedom to customize your retreat experience.

We are fortunate to have a large kitchen facility with a professional staff who provide buffet style meals for our retreat guests. And whether your retreat need is 25 or 250, we can meet and exceed your expectations.

We've worked hard to make our campus setting among the finest in the tri-state area. From wooded trails and tranquil lakes, and from rustic cabins and shelters, to our multi-purpose Pioneer Lodge and Conference Center, Woodland Lakes can accommodate most any need your group may have.
