Check-in & Pick-up Time - Please see your Registration Confirmation

Health Checks - For the safety of your child, we will be performing a temperature and lice check during Check-in to prevent their camp experience from being cut short due to illness.

Food Allergies - Due to the small number of campers with food allergies compared to the entire number of campers, some food allergies are difficult to accommodate. Our kitchen staff are willing to help out, but aren't able to accommodate all allergies. Please contact the kitchen staff in advance to get a menu so you can plan supplemental meals according to your child's dietary restrictions.
